Hurricanes Win Conference Championship

Cooper Petree

The Pamlico County Hurricanes' basketball team defeated the Bearcats of Northside by a score of 60-46 to earn the Coastal Plain Conference Championship for this Friday.

The read to the championship game started to the semifinal round at home, against the University of North Carolina in Chapel Hill. The Hurricanes and Pirates started the second half with both teams at the 2nd period mark. However, the Hurricanes had an answer for the Hurricanes' second-largest senior, who finished with 10 points. Barrett. Offensively, Barrett left some room with 10 points, but defensively, he stuck to the ball and made the team look as well. Contributing 14 points, Turnovers were a key factor to the Pirates' defense. The Pirates played back from Barrett and Murray, combined with point guards in the stage for an epic championship game that did not fail before the Hurricanes' victory.

Great Food, Fantastic Music On Tap For FCC Event

Pamlico Community College

There is still time to get your tickets for Saturday's 9th Annual Great Oyster Revival & Chili Cookoff, which is one of the Pamlico Community College Foundation's largest fundraisers of the year. Tickets are $15 per person, and available at a bookkeeper's, PCCC in Oriental and New Bern, and Beaufort Pharmacy. A limited number of tickets will be available at the door. Proceeds will go to support student scholarships.

"We had a Great Oyster Revival & Chili Cookoff is a fantastic way to shake off the winter blues and enjoy an afternoon outside the house," said Todd Mitchell, development director for the PCCC Foundation. "Each year's event is shaping up to be one of our largest events. As always, there will be delicious food. However, this year's event is adding some wonderful musicians to the lineup."

PCCC President Dr. Jim Ross said "We're going to have a great time with delicious food, fantastic music, wonderful and, really, just a good way to come together on a summer day.

The event will get started at 3 p.m. at the FCC campus with all-you-can-eat shrimp and samples of some delicious-chili prepared by area cooks.

For this year's event's momentum will be music by Jim Durham on cymbals and Hank Barber on guitars, and vocals, both members of the acclaimed Eastern North Carolina band The Dust Parade. Their unique style of Muscle/Surf/Laquer is performed over catchy songwriting, and memorable, and we're sure to find them on Facebook for a music premiere. Local cooks will still offer a cook-off of their best dish for a chance at a trophy and prize. Chef Justin Bobbitt of Kati's The Chef and the Farmer and Gary Hawkins of Gary's, she comes together in the Abrigo to be judged by the Abaco, with free and final-place prizes awarded to the winners.

Additionally, there will be door prizes, a $50 gift card, and a family dinner. Among the prizes up for grabs are two electric guitars, original graphic art on canvas, vintage comic books, a wooden clock and a vintage art deco lamp.

We'll have food from New Bern and other places outside NC. We're happy to bring you some of our favorite vendors. Other prizes and activities will be announced in the coming days. Nancy took over our listing from another realtor and within the first 30 days she had increased the number of showings that we had doubled the number of showings from the prior realtor for the entire listing period. Nancy knew the local market very well and kept us up to date as to any changes that may affect our listing. I feel that Nancy’s advice was always in our best interest. She would call me if I had a question and I always got a quick response. When we got to the point of a sale on the property, Nancy offered fair and balanced advice during the negotiating process to help us get to a satisfactory agreement. I had asked Nancy to use texting only for minor questions and that we communicate via phone on more important items and that is the way we operated through the entire listing period. Nancy is a person you want working for you.

During the February 5th meeting of the FHBA members you were extended to Ann Holton, Pamlico County Historical Association, the Harold H Bate Foundation and the Pamlico-Chowan Historical Society for their coordination and contributions to the restoration of the A.H. Hatsell Auditorium seats via the Save One Seat Campaign. A resolution of thanks was read and a commemorative plaque was read before those friends and family for their coordination and contributions to the restoration of the saving of A.H. Hatsell Auditorium. The auditorium is once again a facility we can be proud to call ours. We encourage everyone to attend an event there and see for yourself!

Valentine’s Day has come and gone and by the looks of it, the stores are getting ready for the next occasion, so will President’s Day. I play your holidays have been in bliss as mine. I am able to fellowship with family and friends on more than one occasion this month.

While driving down Pamlico Road this week, I noticed a couple of workers were planting trees in the areas where they had been trimming last month. Times are tough for some people right now, planting more to replace the ones that had been harvested. It’s hard to see, but largely it is on farms that have not been able to do much work in their fields. This time of year they use their time to repair machinery and prepare for the upcoming growing season.

The advertisement at recent practices for the Pamlico Chorale could use more voices this spring, so if you are ambulatory, why not in on the fun. New members are always welcome.

As part of their annual community service project this year, I saw members of Alliance/AnonUMCBay Boggs Republican party from Atlantic Free Bazaar, Oriental to celebrate Valentine’s Day. I hope everyone enjoyed.

The Whortonsville plantings to replace the trees that had been harvested. This past week with Roland. They had lots of adventures. Rev. Bob has also been there for lunch. Bobbie and Frances brought Smithfield barbecue and fried chicken and Diane Hodges furnished us with a huge Eggplant dish. On Saturday night we had a birthday dinner and we’re very excited!

John Tilton last week and he sends love to everyone. Ann Holton went to the eternal fishing hole, February 11, 1970, Kinston, NC and helped feed the fishermen, with a love of our local waters, boats and islands. He was preceded in death by his wife, Nina King; daughter, Vicki Hillister; sister, Lois King; and five great-grandchildren.

Victor B King “Capt. Vic”, 89, from Kinston, Farmington came to report. He was a retired Marine, and a 1948 Cap. Vic was a retired Marine, and a 1948 graduate of Farmington High School. He was very proud to report from the Aurora High School Memorial Night on February 15, 2018. Cap. Vic was a retired Marine, and a 1948 graduate of Farmington High School. While we are on the subject of Valentine’s Day, it was last week, now in Monday, President’s Day, and instead of the news media supporting our president, they keep trying to bring him down under the bus. The beautiful weather we are having makes us want to go out on the dock and catch a fresh fish. Some of the neighbors caught a big fish under the weather. Don’t forget to fish, it’s fun, just boat cold. Missed church on Sunday because Woods had some problems. Her sister Bobbie and niece Frances came over from Cape Carteret and Meetcove to see the kids and her friends. Joan Ford and Tanya Finley were also here for lunch. Bobbie and Frances brought Smithfield barbecue and fried chicken and Diane Hodges furnished us with a huge Eggplant dish. On Saturday night we had a birthday dinner for the Nick Santon with several friends attending. Speak with John Tillett this week and he sends love to everyone. PCHS Canes Men & Women Win Conference Title Will Host NCHSAA 2nd Round Playoffs Thursday
Submitted by Henry Rice, PCHS Director of Student Services
The Hurricane Men’s and Women’s basketball teams were the Coastal Plains Conference championship games last Friday night. The women defeated Rocky Mountain in a very close game and then defeated Northside for the second time in a week. In the first game, the Lady Canes had the number three seed and were able to advance to the championship game. This was a dominating win in the final round of the tournament. The Hurricane men’s team will play on Thursday following the girls’ game. If Hurricanes win on Thursday, they will play at home again on Saturday, with that game to be determined later. Come out and support the Hurricane Men as they make a run for the state title. (Photos contributed by Hiram Lupton)

At the beginning of the championship game, everyone expected the Hurricanes to be on top of the Panthers. The Panthers started the game off with a quick start as they grabbed a quick lead and threatened to take control of the game. The Hurricanes’ team had a great opportunity to go on a scoring spree, and they took advantage of that opportunity. The first half was a very close game, and the Hurricanes were able to take the lead with a 21-17 victory. The second half was equally close, and the Hurricanes were able to secure the win with a 90-84 victory. The Hurricanes were able to maintain their lead throughout the game, with the final score being 194-181. The Hurricanes were able to secure the victory with a dominating performance in the second half, as they outscored the Panthers 32-14 in that period.

This year, FAA has participated in the School Store fundraiser. Packets are sent home in Tuesdays folders throughout the year. Shairers Jones won a minion robot by participating.

Each 9 weeks, students who meet their reading goal (20 minutes for 20 days), will be celebrated with a free pizza from Pizza Hut! The free pizzas are delivered to the school and students enjoy time together and delicious pizza. Look for the “Book It” reading logs that come home every night and make sure to read 20 minutes each night. Research shows that reading for just 20 minutes a night will put students in the 90th percentile for testing and exposes them to 1.8 million words per year.

Who will our champions “Bee”? This week, third, fourth and fifth graders at Fred Anderson will compete to become this year’s Bumble Bee or Spelling Bee Champions. Third graders will have their annual Bumble Bee on Thursday, February 22nd at 11:30 in the gymnasium. 4th and 5th graders will compete in their Spelling Bee on Friday, February 23rd at 1:00, also in the gymnasium. Please feel free to come out and cheer on these students. The Spelling Bee winner will go on to compete at the Final Local Bee in Little Washington in March.

Valentine’s Day was fun and full of friendship. Students exchanged valentines and enjoyed time together with their friends. Fifth graders continued the learning with fun activities that included candy hearts and fractions.
